

# BPI - QUICKPAY

---

University of Baguio API Integration

# Step 1

Billers are displayed on the main page named as University of Baguio.

The image shows a mobile payment form for the University of Baguio. The form is white and centered on a grey background. At the top, it features the University of Baguio logo and name. Below this, there are several input fields and summary rows. The 'Amount to pay' section shows a total of ₱ 0.00 and a bank convenience fee of ₱ 15.00. The 'Student Number' field contains 'Your reference here'. The 'Student Name' field contains 'Your name Here'. The 'Payment description' field contains 'Your payment description here'. The 'Contact No.' field contains 'Your contact details here'. The 'Email' field contains 'you@example.com' and has a note that a payment confirmation will be sent there. A red button labeled 'Validate transaction' is at the bottom of the form. At the very bottom of the page, there are logos for the University of Baguio, PrimeWater, and StreamTech.
